- II. Old Business
 - a. Survey review and input
 - i. Timeline for survey results and start of action?
 - 1. John asked if a question on the triage/transport decision guidelines.
 - b. SMRTAC Objective list
 - i. Meghan stated that we are aware of the SMRTAC mission and goals, and wondered if SMRTAC had guidance for the EMS subcommittee
 - ii. Tom stated that he had an earlier conversation with Don regarding this, and this might have contributed to the difficulty in establishing a path
 - iii. Group decided that we will let the survey drive our objectives
 - iv. John suggested that we ensure that we are promoting evidence based trauma care, as well as dispelling myths among peers and receiving hospitals.
 - c. Website update
 - i. Mark will follow up with Mike on any website update
 - d. Stelter update
 - i. Meghan and Gail will present an overview of SMRTAC, a PI overview, and an “operational” overview
 - 1. Meghan gave a brief overview of what the Stelter mini-conference is and the audience it targets.
 - 2. SMRTAC will cover VOMIT reports, possibly bring in trauma team physician, information gathering in the field, and reviewing the MN Trauma, Triage, and Transport guidelines.
 - a. John asked if there might be an opportunity to make VOMIT a hands on activity during the presentation, possibly a role playing scenario.
 - ii. Mark will ensure that poll everywhere and traditional feedback is available at the conference
- III. New Business
 - a. August SMRTAC speaker
 - i. Kevin Sherman, Medical Director, Monticello Power Plant is a possibility for backboard presentation
 - ii. The group has decided to wait until survey results are in to drive the topic for the speaker
- IV. Open Forum
 - a. Meghan proposed that each EMS subcommittee member to bring a new “friend” (EMS or Law Enforcement) to the February 12th SMRTAC meeting. Group agrees.
