

Outreach Education Subcommittee Minutes

Thursday November 3, 2016 1400-1500

Present: J Clarey, T Elsbernd, M Flor, S Lejcher, S. Bushey, D. Klinkner MD, T. Emanuel, M Lamp

A. New member Monica Muchow/Le Sueur Amb Director added to SMRTAC Outreach Educ committee

B. bCON

- Maria gave an overview of the Le Sueur INC course held this AM. 7 employees in attendance who are also members of the company EMR team. Went very well.
- Eventually, the 3 kits will be stored SE EMS, SC EMS, and MC Trauma Center. Kits will include 4 wound packs, 4 tourniquets and kerlix, kling or toilet paper to pack wounds. Dr. Klinkner informed group of the possibility of ACS funding for the training kits. There may be \$500 available from STACRT for each RTAC region
- Continuing to get quote from area vendors for SMRTAC suggested kits. As we receive these we will add to ppt for bCON instructor to share contact at classes. Alpha Medical submitted one and is on ppt. Hemostatic gauze will be optional and can be replaced with kerlix gauze depending upon the intended use. Terri was going to contact military person to check on reduced pricing for tourniquets. John Clarey is going to check on Saavik (MAA group buy) pricing of tourniquets.
- There was a discussion on the ACS style kits designed for MCI event or may be used for large industrial or school setting. Placing them near AEDs.
- Scripted news/media release for bCON – Need 2 versions: one as a pre-course media release to encourage participation of future bCON instructors and second one will be more informational as to why bCON is so important and supported by ACS/NAEMT/White House. Terri and Dr. Klinkner will be working on the revisions. Media releases will be posted on SMRTAC website.

C. **Educational survey** results were reviewed and most requested in order were: Pediatric Education, Skills Stations, Geriatric trauma, bCON, PHTLS, and trauma in pregnancy. An draft educational schedule was proposed: Geriatric Trauma – April, bCON – June, Trauma & pregnancy - October

D. Open Forum

- Todd has arranged a bCON course at SE EMS Conference breakout sessions AM of March 17th. This will be two 50 minute sessions and will include a train the trainer course as well as

explanation of the process. Todd and Dr. Klinkner will be handling. Terri suggested someone designated to SMRTAC booth at this event. Would like to do the same at SC EMS conference.

- Sherrie requested that all SMRTAC members need to inform her of events/meetings so she can place these on the SMRTAC calendar.

Next Meeting: January 5, 2017 1400-1500
