

Outreach Education Subcommittee Minutes

Wednesday December 6, 2017

Present: Cathy Anderson, Maria Flor, Terri Elsbernd, Jay Johnson, Gwen Meyer, Meghan Lamp, Teresa Hager, Todd Dorn, Ted Armon, Dr. Klinkner

bCON updates

- Confirmed bCON Train the Trainer at before SMRTAC meeting in June. Dr. Klinkner will be presenter.
- Discussed Spring Train the Trainer at Mayo One Eau Claire base; Meghan will work with WI RTAC and MCHS Eau Claire to include their staff. Connect with Wayne
- Maria & Gwen remind bCON instructors to print off reimbursement sheets from smrtac.org website and submit to Maria. There will be no retrospective pay.
- Gwen informed us that 11 training kits will be made available and prioritized to active instructors
- Discussion on wound packing models. Preference for water noodles and foam pads. Dorn suggests re-purposing skins from ATLS classes as this gives the model a more real feel. TC will speak to Dawn to save these.
- Maria and Todd have completed train the trainer with CENTRAC and SWRTAC
- Terri, Jay and Gwen completed training with SE Healthcare Coliation
- Ted will bring up bCON training at the SC Healthcare coliation 12/7 or 12/8
- Gail Williams from METRO has contacted Maria for training
- Jay Johnson will reach out and provide bCON education to MN Dept Health Emergency Preparedness at upcoming meeting. He will also connect with leadership at Mayo Clinic security for bCON training.

April 19th PI Forum

- Maria, Cathy Anderson, Terri Elsbernd, Todd Emanuel assigned to this project.
- Maria reports Winona Hospital/EMS will be asked to share their PI program. She has also asked Terri E from Mayo Clinic Trauma center to present their PI program

- Discussed the elusive “resolution” of events/problems. Group will provide case examples at this educational session
- Presentations will be rapid fire 15 minute presentations combined with panel discussions. More to come at next education committee meeting.

Oct 11th MCI involving MN Pediatric Surge plan

- Terri gave a brief update. Pediatric Surge committee is broken into 2 sub-groups: Clinical education and surg plan emergency management. More to come on this committee.
- Depending on progress of MN State Pediatric Surge program the plan is for a possible MCI event prior to October SMRTAC meeting. Will involve EMS & Disaster committee

Open Forum

none

Next Meeting: February 1 2018 1400-1500

April 5, 2018 1400-1500
