

Outreach Education Subcommittee Meeting Minutes

Thursday August 8th, 2019: 1400

Members present: Jessica Pastick, Kristin Sailer, Meghan Lamp, Todd Dorn

- **Update on where we are with upcoming education topics:**

August 13th - We are all set up for the pediatric airway session with Chris B in Owatonna. Meghan has the CEUs to provide. Kristin will look into getting 2 gift cards for instructors.

- **November is the tentative month for the fourth education session this year. Meghan L, Todd Dorn, and a third person will be instructing a rotating skills station session covering the following:**

- 1. Chest tube drainage system set-up/use & chest needle decompression**
- 2. Chest tube insertion**
- 3. Emergency surgical airway- cricothyrotomy**

This session will be the first held outside of the Owatonna site/ separate from the SMRTAC meeting date. Kristin will reach out to New Ulm, La Sueur, and Blue Earth to gauge interest and we will confirm by September 1st.

Meeting concluded at 1440

Respectfully submitted,

Jessica Pastick
